

Regarding Liepaja Rally. It will be anyway because it is European Rally Championship. It is international event than officially will be different regulations. What does it means to participants. It means arrival in Latvia are allowed with 72h negative PCR test. In 24h after arrival in Latvia every participant must provide to organizer negative test. Before you receive this result you must be in self-isolation in your hotel.

To reach rally "Liepaja", and start point in Talsi, you can reach by road from Tallinn approx. 450km,

From Sweden, Norway, Denmark by ferries

RS – Regularity stage, used before official closing of the stage, as recce and with lower speeds.

RSS- Regularity special stage, used when stage are closed from public movements on time 1:45 – 1:00h before FIA ERC event.

Practically 90% of stages are the same like on FIA ERC Rally Liepaja. But used ONLY before stage rally, do not worry about racks.

Timing by GPS- 4rally.eu

Regulations are on preparations, planned on next week.

To this email I added my colleagues:

Agris: He is regularity rally driver, can help you from drivers point of view;

Normunds: He is co-driver, he can help you to answer from co-drivers side;

Janis : He is representative of organizer!

Welcome to Latvia, and see you soon.

Kind Regards,
